

Councillor Adam Vaughan invites you to:

## Adam's Walk: Queen West & the Entertainment District

**Date:** Saturday July 24, 2010

**Time:** 1:30 – 3:30 pm

**Location:** meet outside Four Seasons Centre  
SE corner of Queen and University (Osgoode subway)

Join Councillor Vaughan for a stroll on Queen West and through the Entertainment District. The walk will explore some of the changes that are coming to these neighbourhoods, through new development, parks, and streetscape initiatives.

Hear about the Queen Street West Heritage Conservation District and how it protects the heritage streetscape and provides clear guidelines for new development.

In the Entertainment District, exciting initiatives are underway to transform the neighbourhood, including developing John Street as a cultural corridor and returning Richmond and Adelaide to two-way streets.

Learn about how planning and development opportunities are building vertical neighbourhoods, with housing for families, strategic workers, and incubator retail spaces for new small businesses.
