

Central Waterfront Community Update Meeting

Wednesday, May 12, 2010

The revitalization of the Central Waterfront is well underway. From the new wavedecks to the recently completed Queens Quay Environmental Assessment, the transformation of Toronto's downtown waterfront is happening.

Join Waterfront Toronto on Wednesday, May 12 for the first in a series of community update meetings that will provide you with information on projects underway in the area. During the meeting, you'll hear a variety of short presentations and you'll have an opportunity to ask questions and give feedback to the project teams.

Community Update Meeting #1 – Agenda

- o General update on waterfront revitalization
- o Overview of upcoming opportunities for public involvement
- o Introduction of the Downtown Waterfront Master Plan
- o Queens Quay revitalization schematic design presentation
- o York Quay revitalization (Phase 2)
- o Portland water's edge (Phase 1) presentation
