

Make someone's holiday happier

Support HCC Holiday Gift Drive

Each year, Harbourfront Community Centre works with local community partners to provide holiday gift bags for families, children, youth and seniors in need. This year we expect to support 50+ families with 75-100 children and youth as well as a number of senior citizens.

We appreciate the ongoing support of Toronto Police Services who arrange for toy donations for younger children however gifts for preteens, youth and seniors are not as common.

Popular items include: gift cards, movie passes, toiletry/personal hygiene items and grocery cards. Monetary donations are accepted and will be eligible for a charitable donation tax receipt.

All support is welcome!

Donations of unwrapped gifts can be dropped off at:

**Harbourfront Community Centre
627 Queen's Quay W until December 15th**
