

Lower Simcoe Street at Lake Shore Boulevard West

Intersection Improvements and Sidewalk Construction Contract No. 10TE-39RD

Expected Project Start Date: Mid November 2010

Expected Project Completion Date: End of December 2010

The City of Toronto's Capital Construction Programme includes the improvement of the intersection at Lower Simcoe Street and Lake Shore Boulevard West.

Construction Details

- Construction is scheduled to begin mid November 2010, provided that the contractor obtains all the necessary underground utility stake outs;
- Weather permitting, the construction is scheduled to be completed by the end of December 2010;
- Business and emergency access will be maintained;
- Safe pedestrian access will be maintained at all times;
- Access and storage for trucks and heavy equipment will be managed in such a way so there is no obstruction to private driveways and sidewalks;
- Pay Duty Officers will be on-site at all times during construction to assist in the pedestrian and traffic operations.

Parking Restrictions and General Information

- You may experience some traffic delays during construction.

Every effort will be made to complete this essential work as quickly as possible and with the least inconvenience to the community. Your assistance and co-operation during the construction period is crucial and appreciated.

Work Hours

Normal working hours are from 7:00 a.m. to 7:00 p.m., Monday to Friday. However, the Contractor is permitted to work within the City's bylaw requirements and may wish to work on Saturdays.
