

## THIS MONTH'S NEW MEMBER SPOTLIGHT:

# MUSIC GARDEN CAFE

The Waterfront's new Music Garden Cafe stands as a shining example of a fresh innovative concept on the market – it's a new form of dining known as 'quick casual'.

It provides a health-conscious alternative for those who are looking to enjoy total quality product while respecting any time and budget constraints.

Music Garden Cafe is on its way to being regarded as one of the hippest and most pleasant spots on the Waterfront. As well, and perhaps more importantly, the café is already regarded as the highest quality-for-money café around.

But it's not just this European-style café's gourmet coffee that has the neighbourhood excited. In addition to a wide selection of organic, shade grown teas, 100% natural fruit and preservative-free smoothies, Music Garden Cafe offers a guiltless menu with high quality foods that are good for the body and pleasing to the palate.

Comfortable furniture and tranquil lighting provides an inviting place to relax, regroup and forget about the busy day. Local residents meet up with neighbours, form new relationships and gain a greater sense of community. Wi-fi is also available for guests who want

to work in an informal and inviting atmosphere.

"Music Garden Cafe represents a quality of life where it is as much about the food and drink as it is about spending time with people", says café owner Elsa Mendes (pictured).

Whether it's weekend brunch on their patio (open May to October – weather permitting), a business meeting with your staff, or a latte with a new mom's group, whatever is on your agenda, Music Garden Cafe is the perfect spot.

"When it comes to our menu, the plan is to keep it simple yet very appetizing" says Steve, aka The Sandwich Master, who is also the in-house musician. "Daily specials include salads and ready-to-order grilled sandwiches."

If you need to kick back after a hectic day, follow up on your emails or interview new staff, this is a welcome addition to our unique community.

9:00am to 7:00pm weekdays; 10:00am to 6:00pm weekends and closed Tuesdays.
