

TTC Priority Streetcar Track Repairs On Queens Quay east of Spadina Avenue April 2 to April 9, 2011

509 Harbourfront and 510 Spadina Streetcar Routes

In addition to track repairs currently being conducted on the Queens Quay at Spadina Avenue, beginning Saturday, April 2, and continuing through to Saturday, April 9, 2011, temporary changes to the streetcar service on the Queens Quay east of Spadina Avenue will be made to accommodate other rail repairs required on the Queens Quay.

Track Repair Phases:

- Phase 1: April 2nd Weekend: A track crew will work on repairs to the east-to-north turn track switch leading into the Spadina loop, and to two sections of rail immediately east of the loop.
- Phase 2: Week of April 4th: Track crews will carry out other rail repairs at various locations along the route east of the Spadina loop.

Transit Service Changes: During this period, streetcar service will not be provided on Queens Quay West east of Spadina Avenue. (See route maps below).

- **509/510 Temporary Bus Replacement Service**

From April 2 to April 9: Buses will be provided on Queens Quay West and on Bay Street between Spadina loop and the Bay/Front intersection, as shown below. At Union Station, customers must board the replacement buses on Bay Street at Front Street. Customers will require TTC paper transfers to transfer between the buses and subway.

- **509 Harbourfront Streetcars**

April 2 and April 3: Streetcars will operate between Exhibition loop and Spadina Station.
April 4 to April 9: Streetcars will operate between Exhibition loop and Spadina loop.

- **510 Spadina Streetcars**

April 2 and April 3: Streetcars will operate between Spadina Station and Exhibition loop.
April 4 to April 9: Streetcars will operate between Spadina Station and the Spadina loop.

Works Hours: Excavation work to expose rail will be conducted between the hours of 7a.m. and 11p.m. While overnight work is not presently scheduled, there may be a need for some night work to ensure completion of key operations related to the repairs. While efforts will be made to keep noise level to a minimum, noise will be evident when some equipment is in full operation.

Traffic Access: Traffic will be maintained on Queens Quay West during the repair work.
